

### Whisky Parsi Soda £18

Yoghurt-Washed, Woodford Reserve Bourbon  
& Lacto-Fermented Raspberry Soda

Inspired by the Irani cafés of Mumbai, where Duke's Raspberry Soda was the classic choice—famously containing no fruit at all. Here, we ferment real raspberries for a creamy, fresh sharpness, paired with bourbon gently washed with yoghurt for a soft, rounded texture.

### Masala Colawala £18

Diplomático Reserva Exclusiva Masala spiced Rum,  
Thums Up, Vanilla & Evaporated Milk Foam

A nod to Mumbai's street-side sodawallah stalls, where Thums Up cola is mixed with spice, salt & lime. Cinnamon- and coriander-infused rum meets the city's favourite cola, topped with a soft vanilla milk foam. Salty, sweet & spiced.

### Kacchi Kairi Soda £18

Fords Gin, Green Mango, Cucumber,  
Lime & Soda

Kacchi Kairi means green mango in Hindi. Inspired by Mumbai's beloved street cooler, this cocktail reimagines the classic using our house-made green mango & cucumber cordial, balanced with lime & soda for a refreshing finish.
